ABOUT US

Kalapy Medicine was established in the year 1974 when Mr. Eldest Brother Babubhai Shah entered into distributionship of ayurvedic/ O.T.C, generics med, & consumer products for the state of Gujarat having dreams in eyes of getting top of the same industry and later on he has proved that in short span of the time.

Mr. V M SHAH entered the Pharmaceutical field at a young age of 21 years. In the course of expansion the business, he has established himself as one of the dynamic persons in the field of marketing of ayurvedic/ O.T.C, generics med, & . consumer products On account of his extensive business tours of entire Gujarat State, he has developed an excellent personal relation with all the leading stockiest of Gujarat. He is a person having motivational thoughts in his mind like "NOTHING IS PERFECT - Everything Can Be Improved To Perform The Best" and he always cheers up his employees in such a great way with smile and enthusiasm which has given job satisfaction to employees.
